Summary: I contacted Mr. Morales after repeated failed attempts over the last week to contact past PRIDCO points of contact. His name and phone number was finally provided by a PRIDCO secretary.

I explained to Mr. Morales that the NRC is still awaiting PRIDCO's 30 day response from the February 28, 2007, NOV letter sent to PRIDCO. Mr. Morales explained that all of the recent NRC points of contact (Alfredo Perez, Jose Girona, and Henry Montalvo) have retired and that although he is now responsible some of the retired staff's activities, he was not aware that PRIDCO owed us a written response. He stated that all of the nuclear gauges licensed to PRIDCO have been transferred to another authorized licensee (CRMI) and that he will provide the required NOV response and license termination request by 4/30/2007.
