Subject: RE: Concurrence to Sell Canonsburg Tract 117

Paul,

I have some further information on the sale of Parcel C from Mike Widdop. Parcel C previously was owned by the State of Pennsylvania, not DOE, so it wasn't DOE's responsibility to obtain concurrence to sell Parcel C. DOE was involved with helping get the groundwater use restrictions lifted for Parcel C. DOE does own Tract 117, thus the reason why we are asking for concurrence to sell it.

I hope this clarifies the situation. Please contact me with any questions.

Thank you,

Bob Ransbottom
