Subject: No IAEA visit to UZOO

Good Morning Don:

In a November 21, 2006 fax, the IAEA has notified the U.S. Government of its planned inspections and visit to nuclear sites in the U.S. during December 2006. Please note that the IAEA's notification did not indicate any plans to visit the UZOO facility during December 2006. I am not aware of the U.S. Government having received any IAEA notification of a planned visit to UZOO.

Please contact me if you have any questions or concerns resulting from this e-mail.
