Good Morning Don:

In a January 19, 2007 fax, the IAEA has notified the U.S. Government of its planned inspections and visit to nuclear sites in the U.S. during February 2007.

Please note that the IAEA's notification did not note any plans to visit the UZOO facility during February 2007.

Please contact me if you have any questions or concerns resulting from this e-mail.
