Good Morning Don:

In a February 21, 2007 fax, the IAEA has notified the U.S. Government of its planned inspections and visit to various nuclear facilities/sites in the U.S. during March 2007.

The IAEA's notification did not show any plans to visit the UZOO facility during March 2007.

Please contact me if you have any questions or concerns resulting from this e-mail.
