Please, remove the Licensing Project Managers (PMs) from distribution list of "Controlled Copies " for Quality Assurance Program Manuals (QAPMs).

Also, there is no need to send copies of QAPMs to PMs after every revision, unless PM specifically requests a certain revision of QAPM.

However, continue to send the QAPM annual updates, as being currently done.

Please acknowledge the receipt of this e-mail. I will be docketing it in ADAMS with your acknowledgment.

Thanks,

Bhalchandra Vaidya
