Happy Friday!

FYI, I've attached the latest milestones and timeliness goals for your DPOs. You should be aware that on August 18, 2006, the EDO responded (ML061980069) to the six recommendations included in the 2005 DPO Program Review <http://www.internal.nrc.gov/OE/dpo/index-dpo-program-reviews.html>. This new timeliness strategy is consistent with the recommendations in the report.

Please feel free to call me if you have any questions.

Renee
P.S. have a good weekend.
