Subject: OFFICIAL USE ONLY - IAEA's August inspection at BWXT

~~OFFICIAL USE ONLY~~

Good Morning Bill/Geoffrey:

The International Atomic Energy Agency (IAEA) plans to be at BWXT with two staff members for their routine inspection of the (b)(4) down blending area August 24-26, 2005.

NSIR is preparing a letter to BWXT (Attn: Mike Suwala) notifying them of the IAEA inspection and the name of the IAEA staff who will be at BWXT. I plan to fax a copy of this letter to Don Cutchin (the BWXT point of contact for IAEA activities) once it is signed by NSIR.

Geoffrey: Would you check you schedule and see if you could (b)(4) to the IAEA Wednesday August 24? Please contact the BWXT representative (Don Cutchin 522-5186) and let him know if you can perform this function.

NSIR's Bruce Moran is planning to be at BWXT for some/all of the IAEA visit. Bruce is also planning to provide some clarification to BWXT management concerning the "Additional Protocol" treaty that is undergoing Government review. transfer.

Please contact me if you desire any additional information or discuss IAEA activities.

Thank you
Brian Horn
