Subject: OFFICIAL USE ONLY - IAEA's November inspection at BWXT

~~OFFICIAL USE ONLY~~

Good Morning Bill/Geoffrey:

The International Atomic Energy Agency (IAEA) has notified us that two of their staff members plan to be at BWXT (b)(4) down blending area for their routine inspection activities November 9-11, 2005.

NSIR has signed a letter to BWXT (Attn: Mike Suwala) notifying them of the IAEA inspection and the name of the IAEA staff who will be at BWXT. I will fax a copy of this letter to Don Cutchin (the BWXT point of contact for IAEA activities) later today.

Geoffrey: Would you check you schedule and see if you could (b)(4) to the IAEA Wednesday November 9? Please contact the BWXT representative (Don Cutchin 522-5186) and let him know of you can perform this function.

At this time, no NSIR staff are planning to be at BWXT for this IAEA visit.

Please contact me if you desire any additional information or discuss IAEA activities.

Thank you
Brian Horn
