~~Office Use Only - International Agency - Controlled Information~~

Good Morning Bill/Geoffrey:

The International Atomic Energy Agency (IAEA) has notified us that two of their staff members plan to be at BWXT <sup>(b)(4)</sup> down blending area, for their routine inspection activities March 16, 17 & 20, 2006. H

NSIR has prepared and signed a letter to BWXT (Attn: Mike Suwala) notifying them of the IAEA inspection and the name of the IAEA staff who will be at BWXT. I will fax a copy of this letter to Don Cutchin (the BWXT point of contact for IAEA activities) for information in a few minutes.

At this time, Bruce Moran plans to represent NSIR and be at BWXT for this IAEA visit. Bruce will plan to be present to <sup>(b)(4)</sup> to the IAEA Thursday march 16th.

Please contact me if you desire any additional information or discuss IAEA activities.

Thank you
