~~Office Use Only - International Agency - Controlled Information~~

Good Morning Bill/Geoffrey:

The International Atomic Energy Agency (IAEA) has notified us that two of their staff members plan to be at BWXT (b)(4) down blending area. for their routine inspection activities May 18-19, 2006. 4

NSIR is preparing a letter to BWXT (Attn: Mike Suwala) notifying them of the IAEA inspection and the name of the IAEA staff who will be at BWXT. Hopefully the letter will be completed later this week. At that time I will fax a copy of the letter to Don Cutner, (the BWXT point of contact for IAEA activities) for information.

No NSIR currently plan to be at BWXT for this IAEA visit.

Geoffrey, would you be available to (b)(4) Ex 4 to the IAEA Thursday May 18th?

Please contact me if you desire any additional information or discuss IAEA activities.

Thank you
Brian Horn
