The Honorable Jeff Bingaman
The United States Senate
Washington, DC 20510

Dear Jeff:

Thank you for all of your help (and that of Virginia White, Bernie Toon, and Bob Simon) in my renomination by the President to the Nuclear Regulatory Commission and my reconfirmation by the Senate. Without your assistance every step of the way I would currently be looking for new employment as a soon-to-be former Nuclear Regulatory Commissioner.

I look forward to the next five years as the culmination of thirty years of federal service, for almost three quarters of which I will have served on your staff or with your support at the Commission. I am so grateful for all the confidence you have shown in me over the years. I pray that I will be given the full five years and that I will continue to make you proud to have recommended me to the President for the Commission.

Sincerely,

Edward McGaffigan, Jr.
