**SUBJECT: Docket No. 50-238; License No. NS-1; N.S. SAVANNAH**  
U.S. Maritime Administration Reorganization and Relocation.

Please be advised that the U.S. Maritime Administration has physically moved from the Department of Transportation old headquarters building, effective May 1, 2007. The physical address for the new headquarters building is 1200 New Jersey Avenue, SE. The zip code is unchanged. An updated licensee service list reflecting this change is enclosed.

Effective with the move to the new headquarters building, the Maritime Administration has instituted an administrative reorganization. The SAVANNAH Technical Staff (STS), which has programmatic responsibility for the N.S. SAVANNAH has moved laterally from the Office of Ship Operations (MAR-610) to the new Office of Ship Disposal Programs (MAR-640). Both offices are under the cognizance of the Associate Administrator for National Security, so there is effectively no change to the licensee organization. No change to the license Technical Specification is required as a result of this action.

Please feel free to contact me if you have any questions or comments regarding these matters. I can be reached by email at [erhard.koehler@dot.gov](mailto:erhard.koehler@dot.gov) and/or at (202) 366-2631.

Respectfully,

Erhard W. Koehler  
Senior Technical Advisor, N.S. SAVANNAH
