Dear Dr. Friedman:

This refers to your letter dated November 6, 1979, in regard to our letter dated October 12, 1979.

Thank you for informing us of the corrective and preventive actions documented in your letter. With respect to your response, during the October 22, 1979 meeting between Mr. J. Davis and yourself, additional information was supplied. From this meeting, we understand that you are not having licensed material delivered to your residence, have had your GM survey meter repaired and are monitoring the extremities of individuals with ring finger badges. Your cooperation with us is appreciated.

Sincerely,
