Elsie,

I would like to obtain T&E species lists for a number of counties within Alabama. I was looking on the <http://www.fws.gov/southeast/es/> website but was unable to open the listing link under Endangered species. Is there a link or other source somewhere that could provide this information? I am unsure whom to contact as I also could not find a contact for an USFWS-ES office in Alabama.

Thank-you for your assistance.
