Subject: Amendment request deficiencies

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: I spoke with Jack Merkin, Medical Physicist, about the amendment request submitted by the licensee. The following things were discussed:

- 1) the licensee originally requested authorization for 35.400, but after our conversation, it was decided that the licensee only wanted authorization for I-125.
- 2) The licensee wishes to add two authorized users to the their licensee. The licensee had agreed to submit an Agreement State material license for the two individuals.
