Dear Sir/Madam:

Duraloy Technologies would like to request the attached changes to our permanent radiographic installation. The current building is shown on drawing X-Ray -2. The changes are shown on drawing X-Ray -3. The changes being made are equal to or better than what we currently have. I have high-lighted areas which we would like to update. I am not sure if these changes would require an amendment, but I have enclosed a Form 313. Your help in this matter would be appreciated.
