Please Docket in WNI

Steve,

WNI has decided to leave Well 1 and Well 4R in place. Therefore, WNI will not be submitting a license amendment request to abandon those wells.

As a followup to our earlier telephone conversation, since WNI will not be submitting an amendment request, can the NRC provide WNI with a letter clarifying the identity of the point-of-compliance wells (Well 5 and well WN-21), thereby resolving the discrepancy between the license and the Environmental Assessment?

Thank you for your attention to this matter.

Mark
