Re: (License No.: 45-11035-01)

To Whom It May Concern:

We would like to place our one Strontium-90 calibration source back in use. We have a new physicist who feels it would be useful for his tasks. We are still pursuing disposal of our eye applicator.

For more information, please do not hesitate to contact Sandy Wolff, RSO, at (757) 388-3030.

Sincerely,
