Mr. James Campburn
Michigan State Department
of Health
3500 N. Logan Street
Lansing, Michigan 48914

Dear Mr. Campburn:

I am sending you herewith a copy of the license application filed by Wellman Dynamics Corporation, Bay City, Michigan in July of 1967, which formed the basis for our issuance of their currently effective source material license.

I understand Mr. C. R. Buchanan of our staff is in touch with you concerning our current conversations with representatives of the company in connection with their plans for disposal of their waste.

Sincerely,

Lyall Johnson
Acting Director
Division of Materials Licensing
