Mr. Darrel G. Wiedeman, Chief
Nuclear Materials Safety Section 1
United States Nuclear Regulatory Commission
Region III
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Re: License No. STB-1097
Notice of Violation dated April 4, 1985

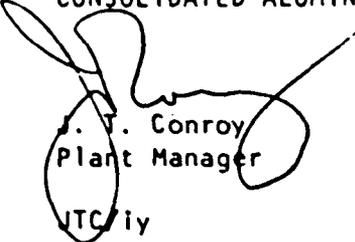

Dear Mr. Wiedeman:

In accordance with the provisions of 10 CFR 2.201, please be advised that Consolidated Aluminum Corporation has undertaken the following actions to correct the item of non-compliance identified in the referenced Notice of Violation:

1. On April 16, 1985, Consolidated Aluminum submitted an Amendment to License N. STB-1097 to the U. S. Nuclear Regulatory Commission, listing the names and attaching resumes of persons currently authorized to use and/or supervise the use of the licensed material.
2. The amended application, when approved by the NRC, will eliminate further non-compliance in this matter. In the future, Consolidated Aluminum will submit an amendment to the License at such time a change occurs involving the individual authorized to use the licensed material.
3. Full compliance will be achieved upon approval by the NRC of the license amendment application.

Sincerely,

CONSOLIDATED ALUMINUM CORPORATION
