Subject: Changes in NMC Corporate and Monticello and Prairie Island Site Management

Discussion:

The licensee announced that the following changes will be taking place in the Corporate and the Monticello and Prairie Island Site Management structures. NMC Corporate Engineering Senior Director Paul Harden will replace NMC Vice President Projects and Engineering Michael Wadley. Mr. Wadley will then replace Prairie Island Site Vice President Tom Palmisano who is scheduled to retire at the end of May. Monticello Site Vice President John Conway will be leaving NMC and will be replaced by Timothy O'Conner. Mr. Conway's last day on site will be May 18th and he will be leaving the company at the end of May.

Additional Monticello plant management changes include the following. Scott Sharp will be replacing Monticello Operations Manager Bruce Mackissock on May 14. Mr. Mackissock will become the senior operations representative for the Monticello extended power uprate (EPU) project. Monticello Engineering Programs Manager Steve Brown will replace Arne Myrabo as the Monticello Engineering Plant and Systems Manager on May 14. Mr. Myrabo will become the senior engineering representative for the Monticello EPU project.
