New License Application Date March 28, 2007

Conversation with James Center (JC) on 5/1/07

JC, the contact person for this application was informed that the reviewer needed the proposed RSO's written approval that he accepts the RSO duties and responsibilities. This information was obtained in fax dated 5/1/07. Also JC advised the reviewer to not list any sealed sources on the license since the applicant has not immediate plans to obtain sealed sources. The applicant will amend its license when sealed sources are needed.
