Subject: Re: Tracer Test Inspection Schedule

Dear Tim,

We are projecting a full day meeting on Wednesday - probably start around 8:30 and run until 4:30 or 5:00. Tom Nicholson and I will be staying at the Holiday Inn Crowne Plaza in White Plains on Tuesday and Wednesday nights.

Regards,

Jim

Thanks Jim,

Do you have any idea of start time?

Just trying to see if we can make it with an early morning departure from here rather than travel on Sunday evening.

thanks,

Tim

Dear Jay,

We would like to confirm with Entergy support for an onsite geohydrology discussion for Wednesday, May 9, 2007. Development of the agenda, questions to be asked, and data requests will follow. Thanks.

Regards,

Jim
