Subject: IP Lab Conf Call

Good Morning All,
 ORISE lab staff are unavailable for a call until next Tuesday.

Therefore I propose that we hold a conf call next Tuesday afternoon at 1:30. Please let me know ASAP if your organization is unable to make a call on that day and time so that I can find another date quickly. In the meantime it would help focus the call if anyone who has specific issues they see need to be addressed could send their issues to me. I will consolidate them and share them with the group.

I will be forwarding the notes from yesterdays conf call later today.
