In the Matter of:

AmerGen Energy Company, LLC

Docket No. 50-219

(License Renewal for Oyster Creek Nuclear Generating Station)

# **AMERGEN MOTION TO STRIKE**

In accordance with 10 C.F.R. § 2.323(a), AmerGen Energy Company, LLC

("AmerGen") hereby moves to strike "Citizens' Response to NRC Staff" (May 7, 2007)

("Response") in its entirety.<sup>1</sup> Citizens' Response is an unauthorized pleading under the

10 C.F.R. Part 2, Subpart L rules that govern this proceeding,<sup>2</sup> and this Board did not

authorize such a pleading in its April 17, 2007 Order.<sup>3</sup> Citizens assert on page 1 of their

Response, without any explanation or basis, that 10 C.F.R. §§ 2.1205(c) and 2.710(a)

allow them to file their Response. However, the Subpart L rules do not authorize their

responsive pleading. Section 2.1205(b) permits only a single Answer to a summary

disposition motion. An additional response would be authorized under Section 2.710(a)

<sup>&</sup>lt;sup>1</sup> Citizens are Nuclear Information and Resource Service, Jersey Shore Nuclear Watch, Inc., Grandmothers, Mothers and More for Energy Safety, New Jersey Public Interest Research Group, New Jersey Sierra Club, and New Jersey Environmental Federation.

<sup>&</sup>lt;sup>2</sup> See Memorandum and Order (Denying NIRS's Motion to Apply Subpart G Procedures) (June 5, 2006) (unpublished).

<sup>&</sup>lt;sup>3</sup> Memorandum and Order (Prehearing Conference Call Summary, Case Management Directives, and Final Scheduling Order) (Apr. 17, 2007) (unpublished).

in Subpart G, but this provision simply does not apply to this Subpart L proceeding. Nor does the reference to Subpart G in Section 2.1205(c) authorize this pleading, because it merely provides the presiding officer with the substantive standards to be used in ruling on motions for summary disposition, and does not incorporate by reference all of the provisions of Section 2.710. To read the regulations otherwise would render Section 2.1205 unnecessary and meaningless.

Citizens' Response is unauthorized under 10 C.F.R. § 2.1205. Therefore, the Board should strike it in its entirety.<sup>4</sup>

Respectfully submitted,
