Cathryn,

According to your information, I think its H.S. code is 261210 or 261220, so there is no special limit to import to CN.

Of course, if you want to use FedEx's service, pls provide consignee's information to us in adv for clearance smoothly.

Thanks!

B/regards!

Paul

**Subject:** Shipping Sample Ore to China (???????????)

Dear Mr. Shen:

Following-up on our conversation earlier today, would you please let us know if there is any Chinese rules and regulations on shipping a 4 kilograms natural ore to China from the United States? Will you be able to act as our agent at the Chinese Custom before delivering the package to our final destination?

Thank you very much for your time and assistance. We look forward to hearing from you at your earliest convenience.

沈先生：

您好。谢谢您今天在电话里的帮助。您可否再帮我们查询一下运送4千公克的矿石（内含3%的

铀和钍，其它主要成份为稳定的钙和铝 ) 由美国至中国是否有问题。如没有，您是否可代表我们去海关领取再送至目的地？如有，您可否告诉我们具体的规定。

再次谢谢您。我们急切等待您的回音。
