SUBJECT: MAY 17, 2007 SITE VISIT TO POWER RESOURCES, INC.'S SMITH RANCH -
HIGHLAND URANIUM PROJECT

Dear Mr. Foldenauer:

On the behalf of the U.S. Nuclear Regulatory Commission (NRC), my staff, and myself, I would like to thank you for your hospitality during my recent visit to Power Resources, Inc.'s (PRI) Smith Ranch - Highland Uranium Project (SR-HUP). It was an informative day that greatly expanded our perspective with respect to in situ leach uranium recovery operations. Your staff was both cordial and instructive during the facility tour. In particular, Pat Drummond, John McCarthy, and Larry Reimann were all extremely helpful in describing various aspects of the SR-HUP operation. Again, thanks for permitting my staff and I to tour your facility.

Sincerely,

/RA/
