  2. Entergy letter NL-07-049 (dated April 13, 2007) to NRC regarding Relaxation Request for Implementation Date of Confirmatory Order EA-05-190.
  3. NRC letter to Entergy (dated April 23, 2007) regarding Notice of Violation and Proposed Civil Penalty EA-07-092.

Dear Sir or Madam:

The purpose of this letter is to document Entergy's understanding (Reference 1) that the action plan we voluntarily proposed to provide by May 14, 2007 in support of our relaxation request (Reference 2) is now required to be encompassed in the response to the NRC Notice of Violation (Reference 3) due no later than May 23, 2007. Therefore a single submittal with the required information provided by May 23, 2007 is considered sufficient.

There are no new commitments identified in this submittal. If you have any questions or require additional information, please contact me or Mr. T. R. Jones, Manager, Licensing at 914-734-6670.

Sincerely,
