## NRR REVIEW STANDARD

### Change Notice

Review Standard No.: **RS-002**

Review Standard Title: **Processing Applications for Early Site Permits**

Effective Date: **May 3, 2004**

Primary Contacts: **Michael Scott  
301-415-1421  
mls3@nrc.gov**

Responsible Organization: **NRR/DRIP/RNRP**

**Summary of Changes:** This is the initial issuance of RS-002, "Processing Applications for Early Site Permits." The objective of this review standard is to ensure that staff reviews of applications for early site permits (ESPs) and the associated environmental reports are effective, efficient, and consistent; and that the reviews result in high-quality products.

Note: Change bars in this document indicate changes made from the earlier draft released for public comment and interim use in two parts: December 2002 and April 2003.

Training: See Change History
