RE: Fort Calhoun Station Transmittal of LIC-07-0039 Enclosure 4 CD-ROM

Dear Mr. Nguyen:

Enclosed please find the re-formatted CD-ROM diskettes, "Enclosure 4" for the FCS EAL submittal LIC-07-0039. The CDs were reformatted per NRC guidance provided via the NRC website as well as your very much appreciated direction and assistance. One CD is for the Document Control Desk records and the other CD is for the NRC reviewer, Mr. Don Johnson.

The files were re-pdf'ed, rescanned, re-OCR'ed and passed the "Preflight" process. These files were then emailed to you on May 9, 2007, and were identified as "acceptable" via email dated May 14, 2007.

Thank you for your assistance with the formatting and review of the CD files. Your assistance was monumental to our successful completion of providing an acceptable format for NRC transmittal.

Best regards,

Donna Lippy
