Docket No.: 070-07011
Highway Route Approval Application (NRC No. 225)
Route: Purdue University to Savannah River Site

By application dated March 7, 2007, the TLI Secured Transportation Services, LLC. requested an approval of a route to transport spent fuel from Purdue University to Savannah River Site (SRS). This request identifies additional information needed by the U.S. Nuclear Regulatory Commission staff in connection with its review of the application. This request describes information needed by the staff for it to complete its review of the application and to determine whether the applicant has demonstrated compliance with regulatory requirements.

1. Correct the route name in enclosures 1 and 2. In both enclosures, the title indicates that the route is from the Naval Weapons Station to SRS.
