Left a voice mail with Kevin Miller (KM), the consultant for the license and contact.

The reviewer left a voice mail with KM to inform that the RSO/management agreement to be RSO was not enclosed as stated in the letter and Dr. Tushar Shah is not authorized for 35.100 or 35.200 as represented in the letter dated April 12, 2007. All the other physicians were listed as stated in the amendment request. Left VM to call the reviewer back.

Action.....wait for call back.

Kevin Miller called back on 5/8/07 and we discussed the above deficiencies. Kevin stated that he would obtain the needed information. The needed information was faxed on 5/17/07. In addition, Kevin stated that Dr. Tushar Shah should not be added to the license at this time. This will be taken care of in a separate amendment request.
