REPLY TO A NOTICE OF VIOLATION

Docket No. 99990001 / 2007013

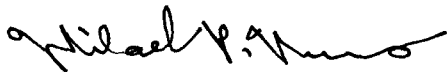

Non-Licensee

Dear Sir/Madam:

I ceased carrying sealed source leak test samples from one site to another after Mr. Steven Courtemanche of your agency advised me in February 2007 that to perform this activity I needed a leak test service license. Since then I analyze such samples at each site under the authorization of the site's management and/or radiation safety officer.

If you require additional information or have any other recommendations please let me know. Thank you.

Sincerely,

Michael P. Nunno, M.S., D.A.B.R., CHP
