Re: Indirect Transfer of Control of Licenses – Name Change

Materials License No. 39-23004-01, Docket No. 030-20159
Material License No. 06-20775-01, Docket No. 030-22060

Dear Mr. Kinneman:

Following the submittal of its Form S-1 Registration Statement with the Securities and Exchange Commission, EnergySolutions Group, Inc. changed its name to EnergySolutions, Inc. Thus, EnergySolutions, Inc. will become the new corporate parent company as described in the Application. This does not impact any of the other information previously provided. Energy Solutions, Inc. is not named in any license or permit, and therefore, we do not believe that any further regulatory action is necessary, as the approval previously granted is unaffected other than there now being a change in the parent company's name."

Sincerely,

Tye Rogets

Senior Vice President of Regulatory Affairs
