Dear Chairman Klein:

I would like to inform you that, after serving at the Atomic Energy Council of Taiwan for seven years, I will retire from the government service, effective May 21, 2007. My deputy, Dr. Shian-Jang Su, also a cabinet member, will assume the chairmanship on the same day.

Upon retirement, I will return to Hsin-Chu, where I had studied and taught for a total of nearly 30 years, to further pursue the goals of my personal life and continue to be involved in various fields of interest, certainly including nuclear.

Let me take this opportunity to express my sincere gratitude for the effort you and your colleagues at NRC have made in nurturing a fine cooperative relationship between our organizations over the past years. I am certain that you will continue to lend your support to AEC under the new leadership of Chairman Su.

Sincerely yours,

Ouyang, Min-Shen
Minister and Chairman
