Clinton Power Station requests approval from the U.S. Nuclear Regulatory Commission (NRC) to schedule Initial License Training (ILT) examination dates during the weeks of August 22 and August 29, 2011:

Because of the site's outage schedule and the timing of when the site brings in operators for class, the site is requesting these exam dates.

If you have any questions, please contact A. D. Bailey at (217) 937-4001.

Respectfully,

Bryan Hanson
