Chris,

I left you a very long voice mail (I apologize!). Attached is the letter we sent to Acting Commissioner Johnson. I also faxed a copy of the actual letter to Barbara Youngberg. Bo Pham of our HQ office, told me that you may be the Project manager for the Indian Point License renewal. If DC needs to send 2 representatives, one for groundwater contamination and one for license renewal, we can accommodate this. The RSVP form is also attached.

Let me know if you have any questions,
Marjorie
