Dear Mr. Green:

Agency staff have completed the review of the material submitted in support of your request for reciprocal recognition of your United States Nuclear Regulatory Commission (USNRC) Radioactive Material License No. 47-00260-02. The Agency has decided to deny your request because the Ohmart device requested is not listed in the Registry of Radioactive Sealed Sources and Devices.

If you have any questions regarding the denial of your amendment request, please contact me at (512) 834-6688.

Sincerely,
