US Nuclear Regulatory Commission
Division of Material Licensing
Washington, DC 20555

Gentlemen:

This letter is an application for an amendment to NRC Licenses
47-00260-02, 47-00260-06 and 47-00260-09.

Mr. M. L. Green is listed on all of the three (3) by-product material listed above as the Radiation Protection Officer. Mr. Green will be transferred to other duties and will not be able to function as the RPO. Would you therefore change the listed RPO (Item 5 on Form NRC-313) and alternate RPO on all three (3) licenses to read:

C. R. Landfried - Radiation Protection Officer

R. V. Sealey - Alternate Radiation Protection Officer.

Mr. Landfried's and Mr. Sealey's experience and training are on file with your agency.

In addition to the mailing address, could you include Attention:
C. R. Landfried.

Your assistance in this matter will be greatly appreciated.

Sincerely yours,

C. R. Landfried
Alternate Radiation Protection Officer
