Thanks for the response. I will amend the license removing the imaging area at Good Samaritan Hospital. I am not going to remove 1020 Franklin Street as an area of use or storage. CVMH can request that action in a future amendment. I did not see any decommissioning info in your docket file for an HDR room at 1020 Franklin Street. You may have to resubmit that info if the file does not clearly show decommissioning of an HDR room at 1020 Franklin Street.

Mr Lee,

Correct - just the one camera room we are decommissioning as an area of use, the other area of use which was the HDR room should have already been decommissioned a few years ago.

So, there are to be no areas of use at the Good Sam. location.

Thanks for clarifying.

Randy,

I am working on the CVMH amendment request decommissioning the imaging area at Good Samaritan. Is this just one camera room or does this mean that all imaging at Good Samaritan has ceased? Thanks!
