MEMORANDUM FOR Nuclear Regulatory Commission (NRC)

SUBJECT: Delegation of Authority for Radiation Safety Officer

1. Effective 1 Jun 07, CPT Kevin S. Mattern, has been appointed Radiation Safety Officer and is responsible for ensuring the safe use of byproduct material. The Radiation Safety Officer is responsible for managing the radiation safety program; identifying radiation safety problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; and ensuring compliance with regulations for the use of byproduct material. The Radiation Safety Officer is also responsible for assisting the Radiation Safety Committee in the performance of its duties and serving as its secretary.
2. The Radiation Safety Officer is hereby delegated the authority necessary to meet these responsibilities.
3. The Radiation Safety Officer has the authority to immediately stop any operations involving the use of byproduct material in which health and safety may be compromised or may result in non-compliance with NRC requirements.
4. Purpose: As outlined in referenced authority.
5. Period: From 1 June 07 until officially relieved or released from appointment.
6. Special Instructions: Establish and manage radiation protection program for GLWACH in accordance with the referenced authority and other applicable directives.
