

VOID SHEET

TO: License Fee Management Branch

FROM: RIII - James R. Mullauer

SUBJECT: VOIDED APPLICATION

Control Number: 316174

Applicant: Fairview Radiology

License Number: 21-26306-01

Docket Number: 030-32143

Date Voided: 5/31/07

Reason for Void: This licensing action was controlled in for Fairview Radiology; however, it should have been controlled in for Heart & Vascular Physicians. The cover letter did not specify the license number or purpose of the letter (request) and did not include a license number. The attachment to the letter was a preceptor statement from Dr. Fayz at Fairview Radiology attesting to the training for another physician which is probably why the request was controlled in for Fairview Radiology instead of Heart & Vascular Physicians. Since the purpose of the request is not stated and the licensee did not clearly identify itself, it was determined by the Materials Branch Chief and reviewer that this should be voided. The RSO (Jim Botti) for Heart & Vascular Physicians was informed of this action and agreed that this should be voided. Jim Botti will follow up with a new request in the future. Jim Botti was also informed that the preceptor form that was submitted was incomplete. Jim Botti acknowledged that and stated that the preceptor form would be completed in its entirety in the future amendment request.
