Commissioner Lyons' Comments on SECY-07-0083

I approve the staff recommendation to publish the Federal Register Notice once a week for four consecutive weeks. I have no comments on the proposed Agreement between the Commonwealth of Pennsylvania and the NRC and on the draft of the NRC staff assessment of Pennsylvania regulatory program.

The Commission paper reflects only a small portion of the tremendous effort that has gone into developing the proposed Agreement. Both NRC staff and the Commonwealth of Pennsylvania staff should be commended for their efforts.

Peter B. Lyons
