Subject: REQUEST FOR ADDITIONAL INFORMATION

Scott/Wayne:

The NRC staff has evaluated your request for amendments revising the criticality analysis for spent fuel pool and containment storage areas, and has identified the following RAI. Your response to the RAI below is needed in order to facilitate the NRC's timely response to your request. If STPNOC would like a formal request for this RAI, such a request will be promptly provided upon request.

Thank you for your cooperation.

Mohan

REQUEST FOR ADDITIONAL INFORMATION
REGARDING
YOUR REQUEST FOR SPENT FUEL POOL AND CONTAINMENT STORAGE AREA
CRITICALITY ANALYSIS (TAC NOS. MD2343 AND MD2344)

The NRC staff has evaluated the description of the proposed revision of the Spent Fuel Pool Criticality Analysis. To complete its evaluation, the NRC staff requests the following information:

State whether the existing spent fuel rack structures and the spent fuel pool structure will be modified in any manner by the addition of Metamic poison panels, or modified in some other manner. If so, provide:

1. Provide a list of the changes to the existing structures
2. Provide drawings, or a reference where these have been provided.
3. A detailed summary of the structural analysis for the revised structures under normal and accident conditions, showing that the relevant design basis criteria will be met with the new configuration and the new loads.
