RE: License ~~09-3177-01~~ *new*
Docket No.: 03037316
Mail Control No.: 140254

To Whom It May Concern:

We would like to amend the referenced radioactive materials license in order to reflect a change in Licensee name from Katin Radiation Therapy, P.A. d/b/a 21st Century Oncology to Ambergris, LLC. Ambergris, LLC owns the facility located at 2000 Foundation Way # 1100 Martinsburg, WV (25401) that houses the Nucletron HDR Unit.

In order to avoid any confusion if future correspondence with the NRC, please amend Item 10 of the referenced License to reflect Katin Radiation Therapy, P.A. d/b/a 21st Century Oncology as the name under which business is conducted at this site.

Should you have any questions, please feel free to contact me at 239-768-7377.

Sincerely,

Daniel H. Galmarini, DABR
Director of Physics.
