OHIO EPA'S ELECTRONIC DATA SUBMITTAL MEMORANDUM OF AGREEMENT

Federal Regulations require that submittals to Ohio EPA from corporations be signed by a principal executive officer; from partnerships or sole proprietorship by the proprietor or a general partner; and for a municipality, state, federal or other public facility by a principal executive officer or ranking elected official. Based on the above the appropriate individual listed below is authorized to submit NPDES related documents, Permit to Install applications and other notifications to the Ohio EPA electronically. A Personal Identification Number (PIN) will be assigned to the responsible official by Ohio EPA. The PIN appended to the data is your signature, as the appropriate individual authorized to submit the information. The individuals whose signature appears below certifies under penalty of law that data transmitted to Ohio EPA will be true and accurate and is aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment.

The OEPA must be notified of any changes in this reporting responsibility. Should you become aware that your designated PIN may be known by an unauthorized individual the OEPA must be notified immediately. Refer to Part III - 4 of the NPDES permit for additional reporting requirements.
