Summary: In a letter dated 3/8/07, CDL requested the addition of a number of base locations to their mobile license. I informed Mr. Wilson that the locations in Ohio would not be added to the license because they are in an Agreement State. In order to approve the amendment, I need:

1. Floor plans for all of the sites where the RAM will be stored.
2. An agreement, signed by both parties that:
 - a. Specifies where the RAM will be used/stored.
 - b. assures that CDL personnel are the only people who will have access to the area where the RAM is stored/used.
 - c. Provides access to the site to remove RAM and decommission in the event that the two parties have a falling out.

I informed Mr. Wilson that I will need the information by 6/11/07 in order to complete the amendment by the due date. He stated that he would try to get all of the site information to us ASAP.
