Greetings Betsy,

A cover letter and hardcopies of the Final Survey Report and Final Survey Plan for the B611B Facility including structures and associated grounds are being mailed out to you today for continued review.

18 of the 31 pages in the Final Survey Report include notations, in the margins, because of fruitless attempts made to contact the contractor, Duratek, and have the changes incorporated into their Report.

Have a great day,

Best Regards,

JOSEPH A. FABIANO
