Re: Amendment Request to License No. 45-25517-01, Docket No. 030-35378

Dear Sir/ Madam:

Please be advised that the correct mailing address for Branscome Richmond is 3600 Warbro Road, Midlothian, VA 23112. We wish to request that our license be amended to reflect this address.

Also, Branscome Richmond is in the process of purchasing a new 4640B nuclear gauge. We will be trading in one of our older units, a model # 4640, serial # 80, with the purchase of the new gauge. If this should require any changes to our existing permit, we request that the changes be made at this time.

Thank you for your consideration pertaining to this matter and should you require any additional information, please do not hesitate to contact my office.
